

Privacy Policy

Your privacy, online safety, and data protection are important to us. We will respect the confidentiality of your data and will always process it following international standards.

The personal data we collect allows us to deliver our services to you. When you contact us, we keep the following personal information:

- Your name and email address
- Your comments/questions/reviews of products
- Your email preferences

Why we hold personal data

We use personal data to help us improve the quality of our products.

Customer Data

- **Filling out a contact form:** When you contact us, you consent to us holding your personal data.
- **Sharing reviews:** We know that our customers like to support each other by leaving product reviews. When you submit a review, you consent to us making it available for others to see.

Who may see your personal data

We work with well-established, highly reputable third parties to allow us to deliver our services:

- **OneBookShelf** the digital marketplace selling our products, and
- **Wizards of The Coast** the owners of some of the copyright material contained in our products, according to the Community Content Agreement for Dungeon Masters Guild.

Data Retention

We would, in principle, retain customer data indefinitely. However, if you want us to delete it, you can ask us to do so: Please see below.

How we will uphold your rights as a data subject

- We will always do our best to keep the data we hold on you accurate.
- Our promise to you is that we will never use your personal data for anything we haven't already told you about (unless obliged to do so by law). And we won't share your data with anyone other than the organizations we have told you about above.
- If you wish, you can ask to see the personal data we hold on you at any time. Where you gave us your consent to process your data, you can withdraw that consent. You can at any time ask us to delete your personal data.
- You can request to be removed from our marketing email lists at any time.

Contact us

If you have any questions about how we use your personal data, please use the Contact Us link found at the header and footer of the main page.

If you are unhappy with any aspects of how we use your personal data, let us know.
